

Additional Generator info

- Old Courthouse Generator and shed will be removed by Crook County.
- Existing concrete will be removed as required by Crook County.
- Crook County will provide and set the Generator at each location.
- Crook County will have PRE Corp. do an existing line locate at Courthouse.

Important note

- **Public Health Generator is incorrectly shown in plans as single phase. The generator will actually be 120/208 3 phase 4 wire. Please adjust your bid accordingly. I will provide the revised plans as soon as they are available.**

If you have any questions or would like to walk through either project call me at 283-2181 or 290-0529, or my Email is RandyG@crookcounty.wy.gov. Thank you for your time and we appreciate your interest in bidding on our project.

Thanks,
