BID SPECIFICATIONS – NEW HAVEN ROAD #105/164

BID DUE DATE:

Bids must be received by the Road & Bridge Office no later than 3:00 PM on **Friday January 3, 2014**. Any bids received after that time will not be opened or considered.

SCOPE OF WORK:

Crook County is planning to improve New Haven Road – County Road #105/#164 and is soliciting contractors to haul shale. The project is expected to begin in January 2014 and will be ongoing until completed. The project is entirely weather dependent and may not be consistent. The project involves hauling and placing approximately 42,300 cubic yards of County-supplied shale material from Quality Aggregates West Pit. Truck drivers must load themselves at the pit using the loader supplied and fueled by Crook County.

The project will begin at the junction of Little Missouri Road #200 and progress to the South for nine (9) miles to the community of Oshoto.

PAYMENT TERMS

- ✓ The successful bidder will be paid by the hour, Billable time begins upon arrival to the pit and ends when the last load of the day is dumped. Invoices must be submitted to the Road & Bridge office by the 25th of the month in order to be paid by the County Commissioner's at their first meeting of the following month.

BIDDERS/CONTRACTORS RESPONSIBILITIES

- ✓ Work only during daylight hours Monday Through Friday with no loads arriving to the project any later than 4:30 PM.
- ✓ Work under the supervision/coordination of the County Road and Bridge Project Foreman.
- ✓ Provide the Project Foreman with all the load counts at the end of each day.

Equipment specifications/requirements

- ❖ Minimum of four (4) to maximum of six (6) tractors with single belly dump trailers capable of legally hauling a minimum of 23 tons by WYDOT standards.
