PO Box 995 \* Sundance WY 82729 \* Ph: (307) 283-1441 \* Fax: (307) 283-2323

## **FENCING BID DELETION**

Crook County Road and Bridge is deleting the automatic gates from the fencing bid package. We are requiring rolling gate panels, only at the Moorcroft shop and nothing in Sundance. We are deleting the automatic openers due to the realization of the many different options that are available, and we failed to provide a clear specification for the configuration of the system. Please look for a separate bid for automatic gates in the near future. Please provide a bid price only for the fence and rolling gates at the Moorcroft Shop.

Morgan Ellsbury, Superintendent

PO Box 995 \* Sundance WY 82729 \* Ph: (307) 283-1441 \* Fax: (307) 283-2323

## **CORRECTION TO FENCING BID**

Crook County Road and Bridge has been informed of an error in the fencing bid. On photograph 2, it should read 2" diameter line posts. The top rail will be a continuous 1 5/8" rail.

PO Box 995 \* Sundance WY 82729 \* Ph: (307) 283-1441 \* Fax: (307) 283-2323

## **ADDENDUM TO FENCING BID**

The following additions are being made to the Crook County Fencing bid. These addendums override any of the previously stated in the original bid package.

1. The contractor must have any/all necessary license(s) to do Low Voltage electrical work in the State of Wyoming.
2. The gate installations are to meet UL325 safety guidelines.
3. No battery backup is required for the automatic gates.
4. No remotes are required for the automatic gates.
5. Only control wiring is to be done by the contractor, getting power to the operator and hooking up power is to be done by the county.
6. One vehicle detection loop with photo eyes to be placed on the interior of the gate opening.

If there are any further questions, please contact the Road & Bridge office at 307-283-1441.

## **BID DOCUMENTATION**

### **MOORCROFT SHOP FENCE AND SUNDANCE SHOP GATE**

Crook County Road and Bridge is seeking bids for replacement of a fence at the Moorcroft, WY county shop for an approximate 730 feet of 6 feet tall chain link fence with a continuous top rail and 3 barb security wire on top, and two (2) automatic gates, one at the Sundance shop and one at the Moorcroft shop. The successful bidder will supply and construct the fencing and gates. The Moorcroft fence will have two (2) terminal posts, one of which ties in with the existing WYDOT fence, one (1) corner and two (2) gate posts for one (1) thirty (30) foot gate opening. The gate will be two (2) fifteen (15) foot rolling gate panels with one (1) gate set up with a 110 volt automatic opener with a keypad pedestal for entry. The other gate will have a ground lock in concrete. Automatic gate will be wired by others. The existing fence will be removed and the replacement fence alignment will be staked by the County. The gate in the Sundance Shop will be built to the same specs as the Moorcroft gate, and will use the existing gates' posts. Pictures and maps are included for reference only.

Moorcroft County Shop - 1016 Converse St, Moorcroft, WY

- Approximately 730 feet of 6 foot tall chain link fence with a continuous top rail and 3 barb security wire on top. This fence includes 2 terminal posts (one which ties into the existing WYDOT fence), 1 corner post, and 2 gate posts for a 30 foot gate opening.
- The gate will be 2, 15 feet rolling gate panels centered over the existing driveway with one gate set up with a 110 volt automatic gate opener and a keypad pedestal for entry. The other gate will have a ground lock in concrete. Automatic gate will be wired by others.

Sundance County Shop – 510 Industrial Park, Sundance, WY

- The 15' gates are in place over the existing driveway. One gate needs to be set up with a 110 volt automatic opener and a keypad pedestal for entry. The other gate will have a ground lock in concrete. Automatic gate will be wired by others.

This grant is funded through a grant from the Wyoming Department of Homeland Security and is therefore subject to the rules and regulations set forth. Bidders shall be required to follow the rules set forth in WYOHS.
