Dear Mr. Osborne:

This letter is to offer congratulations for a successful on-site conducted October 20, 2015 by the Division of Victim Services (DVS).

Final review of the documentation submitted to DVS has been completed, and Crook County Attorney is in substantial compliance with DVS rules as required. We would like to thank you and your staff for all your efforts in preparing for this successful on-site review.

In the coming weeks you will be receiving a certificate of compliance, and a press release will go out to your community stakeholders and media.

Please feel free to contact me with any questions you might have regarding compliance or any other issue related to your funding or services for victims. You may do so by either writing to me at DVS, contacting me by e-mail at jason.petry1@wyo.gov or calling me at 307-777-3718.

Thank you for the service and dedication you provide to crime victims in Wyoming.

Sincerely,

Jason Petry
Regional Program Manager
