Citizens and candidates are reminded that written campaign advertising shall not be placed on or attached to any real or personal property of the state or its political subdivisions including the county. This means that campaign signs shall not be placed within a county road right of way or on county property according the W. S. 22-25-115.

Complaints shall be made to the County Clerk who will cause the signs to be removed by the County Road and Bridge Superintendent according to the County Commissioners policy on placing signs on county road right of ways.

The University of Wyoming, any community college and school district may permit such advertising subject to regulation by their governing board as to time, place and manner. Any rules and regulations adopted shall provide for equal access to opposing political views. Subject to the approval of the landowner and any rules and regulations adopted by a municipality, campaign materials may be placed on municipal street rights-of-way. The department of transportation shall allow campaign materials to be placed on a state right-of-way within a municipality to the same extent which the municipality allows campaign materials to be placed on municipal street rights-of-way. Nothing in this section shall apply to any interstate highway.
