

Court Security Project

Crook County is seeking bids for equipment and installation of security items for the Crook County Courthouse located at 309 Cleveland St. in Sundance, Wyoming. Equipment is as follows:

- Keyless access control hardware (US26D) for 17 doors with lock down capability, 1 remote release button for each office (8 total). Providing installation, all necessary wiring, software and training and 100 extra programmable Prox cards or key fobs.
- Four 3070 Solid Core WD doors prefinished and one 3070 Solid Core WD door prefinished with 6"x27" bullet resistant window. Price to include installation.
- Three panic buttons added to the existing Honeywell system.
- One 4'x9' level 3 ballistic panel
- Add 4 additional cameras and upgrade software and storage on existing system.
 - 3 Axis Communications Inc M3005-V IP indoor cameras.
 - 1 Axis Communications Inc P3364-V IP indoor camera.
 - All cameras will run with Cat 5 cable to the headend IT room and tie into NVR.
 - Provide access to view surveillance cameras covering the courtroom and surrounding hallways to the Circuit Court and District Court judges' offices.
 - Upgrade software and hard drive storage to 2TB on 2 existing NVR's.
 - (2) 48 port POE+ switches
 - Tie in new cameras and all existing cameras into POE switches.
- Seven coiling doors with remote electric release to work in conjunction with the lock down feature on door hardware. Door opening measurements(Height X Width) are as follows:
 - 49"x 155 ½"
 - 49"x 170 ½"
 - 49" x 62 ½"
 - 49"x 101 ½"
 - 44"x 39"
 - 41"x 49"
 - 48 ½" x 81"

The bidders are welcome to bid on any one or all areas of the project. Contact Randy Gill at randyg@crookcounty.wy.gov for more details on our project. Bids shall be submitted to the Road and Bridge office located at 309 Cleveland St, Sundance, WY or via mail at PO Box 995, Sundance, WY 82729 no later than 3:00pm on January 19, 2016.
