

4) Jim Keller than makes a motion that I can't under stand, than gets a second from Secretary/Treasure David Tonak, now the recorded minutes don't mention a vote being taken but I assume there was. I now would ask either Keller or Tonak separately to explain the motion to me.

Where any bills Submitted? What questions were asked of this Law firm? How many hours did they bill for? I assume you know all know your job on the Board is not to rubber stamp every thing that Larry Kreuter wants. You have a fiduciary duty to read and comply with the statutes.

Kreuter acted without authority and as such should be required to reimburse the District
