

CROOK COUNTY LEPC

Meeting Minutes

May 1, 2020

Meeting was held via “ZOOM” conference due to COVID-19 pandemic. Those present for the meeting via ZOOM were:

Becky Tinsley, Melanie Wilmer, Ed Robinson, Phil Dinsmoor, Ken Maston, Jason Campbell, Amber Mathews.

Meeting was called to order by Dinsmoor at 5:26 pm.

First item of business was approval of prior meeting minutes from February 25, 2020. Wilmer moved to approve, second by Campbell. All ayes. Minutes approved.

Next item up for discussion was the Multi-Hazard Mitigation plan. It was explained by Ed Robinson that the plan that was present on the county website currently was not the most recent plan, and introduced the Crook County Annex to the Region 1 Multi-Hazard Plan that was approved in 2018. It was explained that this is the most current plan, and that Chapter 6 of that plan was what replaced the old one. Dinsmoor advised that this plan would need to be reviewed, and discussion centered around what the responsibilities of the LEPC were, and it was agreed to get this copy of the plan out to the membership and have it reviewed prior to the next meeting, and that a review of the By-Laws would need to be accomplished to possibly address a bigger responsibility. Melanie asked Ken Maston to review the by-laws for expansion of these responsibilities and he agreed.

(Ken Maston had to leave meeting due to work commitment)

There was discussion about old projects and if they needed updates.

New Business was discussed, Wilmer giving a briefing on the current COVID-19 response and incidents around it.

Discussion was had about the next meeting date, and it was decided to attempt to have it the 2nd half of June, and Ed Robinson would conduct a google poll of membership to see when a good date and time would be for that meeting.

Having no further business, Dinsmoor moved to adjourn the meeting, and it was adjourned at 6:01 pm.
