S-A BUDGET MESSAGE W.S. 16-4-104(d)

We plan on keeping 20% of the revenue received to cover our minimal costs of operating and to build a balance in which we can honor additional requests for funding for establishing or maintaining of programs or services for senior citizen centers, expansion of existing senior citizen centers to provide programs such as nutrition, health, in-home services, socialization or transportation or participation in programs or services administered through the aging division of the Wyoming Department of Health. This is not changed from our policy last year.

S-B RESERVE DESCRIPTION

We have \$42,000 in reserve now and will continue reserving 20% of any additional income. We hope to get this reserve account to an amount that we can have enough to help the agency that we fund for a full year in case the mill levy is not approved by the voters. The year will give another chance for the mill levy to be approved.
