

For Immediate Release

Crook County Daily COVID-19 Cases

Crook County Emergency Operations Center (EOC)

PO Box 543/420 ½ E. Main St

Sundance, WY 82729

(307) 283-1142

January 8, 2021

Crook County Public Health is moving through the Phase 1a Covid-19 vaccination tier and expects to be finished with it January 8, 2021. We expect to begin vaccinating those people 70 years and older as part of the Phase 1b vaccination tier sub-group 3 the week of January 11, 2021. We cannot take walk-in appointments because we must use all 10 doses in each vial within 6 hours of opening it, therefore, scheduling reflects that restriction. You cannot receive any other vaccine 14 days before or 14 days after the Covid-19 vaccination. Public Health continues to move through the vaccination Phases as supplies are available. We will keep the public informed as we move through each phase.

The Phases with subgroups can be found here: https://health.wyo.gov/wp-content/uploads/2020/12/WDH_Phase-1a-and-1b-COVID-19-Vaccination-Priorities_12.30.20.pdf

If you have not contacted Public Health and wish to have a Covid-19 vaccine, please call 307-283-1142.

We appreciate the public's cooperation as we move through the Phases towards an end to the Covid-19 madness! Until then, continue to take appropriate Covid-19 safety measures.
